OE matching dash kit for select Honda Accord and Crosstour vehicles

Upgrade the radio to add additional features in 2008-2012 Honda Accord and 2010-2012 Crosstour vehicles equipped with factory navigation. HONK854L allows you to add a single ISO radio with pocket or a double DIN radio into these vehicles. Our dash kit is made of high quality material and will keep the interior looking factory when adding an aftermarket radio.
