Upgrade the radio to add additional features in select Toyota, Scion, or Subaru vehicles. TTR998 allows you to add a single ISO radio with pocket or a double DIN radio into these vehicles. Our dash kit is made of high quality material and will keep the interior looking factory when adding an aftermarket radio.

FEATURES

Installs one single ISO radio w/ pocket
Installs one double DIN radio
Instructions included

NOTE: Factory radio brackets required

ALSO AVAILABLE

Antenna Adapter LX8
